In the early years of the component the Montreal Dorval Airport local provided the union with several Presidents, John McLermon Percy Bourne and Guy Jacob were all from that local. The first elected UCTE President was also from the Dorval local. At the 1968 convention Brother Dave Rush ran and won. However, within the year his position within the Department of Transport, which was operating all of Canada's airports at the time, was changed and he was no longer a member of the bargaining unit.
